Summary

Microfiction. The sequel to [Sailor Moon and the magical girl in red](#)

Ingenue Garnet and I continue our way in this other world when a plant monster appears.

- A translation of [Attaques Similaires](#) by [MiaQc](#)

A plant monster appears in front of us.

"WAAAAH!" I shouted because monsters often scare me.

"Sailor Moon, calm down." Ingenue Garnet says to me.

"Sorry."

I grab my tiara and it turns into a light disc.

"I can handle it. MOON TIARA ACTION!"

The glowing disc rushes to the monster plant and it explodes into a light energy. The monster disintegrates.

"There you go!" I say with a smile.

"It was good," replies Ingenue Garnet, "but I can do the same."

"Oh really?"

"Actually, it's not quite the same attack, but..."

Another monster appears. It's a tentacular monster.

"TIARA TOSS!" Ingenue Garnet screams as she throws her tiara.

It explodes into a ball of light as it hits the tentacled monster. The monster disappears aka dies.

"See?" Ingenue Garnet asks me.

"I... I see..."

We continue our way in this other world when suddenly I yell.

"BUT... BUT... YOU'RE COPYING MY ATTACK?!?"

"Not at all." Ingenue Garnet replies to me. "Besides, I'm sure other magical girls have a similar attack too."

I am not really convinced. Nevertheless, I keep going.
